### **The Overton Window book by Glenn Beck - Thriftbooks**

The Overton window is a term for the range of ideas tolerated in public discourse, also known as the window of discourse. The term is named after Joseph P. Overton , who stated that an idea's political viability depends mainly on whether it falls within this range, rather than on politicians' individual preferences.

### **Overton window - Wikipedia**

After "The Christmas Sweater" I knew Beck could write a great family novel, but I was pleasantly surprised at this foray into political thriller territory. Once I started reading "The Overton Window", I found it hard to put it down. Beck manages to make even a priveledged, well-to-do character interesting and appealing in protagonist Noah Gardner.
