"He was one of the giants of genre literature and it is hard to imagine the world of tales we read today being the same without him . . . Fritz Leiber's better short stories do the thing a fine whisky does . . . they leave aftertastes in memory, an emotional residue and resonance that remains long after the final page has been turned."

Poe's stature as a major figure in world literature is primarily based on his ingenious and profound short stories, poems, and critical theories, which established a highly influential rationale for the short form in both poetry and fiction. Regarded in literary histories and handbooks as the architect of the modern short story, Poe was also the principal forerunner of the "art for art's ...
