The Victorian City Everyday Life

Victorian architecture is a series of architectural revival styles in the mid-to-late 19th century. Victorian refers to the reign of Queen Victoria (1837–1901), called the Victorian era, during which period the styles known as Victorian were used in construction. However, many elements of what is typically termed "Victorian" architecture did not become popular until later in Victoria's reign.

Victorian architecture - Wikipedia

Victorian morality is a distillation of the moral views of people living during the time of Queen Victoria's reign (1837–1901), the Victorian era, and of the moral climate of Great Britain in the mid-19th century in general. The British sought to bring these values to the British Empire. Historian Harold Perkin writes: . Between 1780 and 1850 the English ceased to be one of the most aggressive ...
