On the flip side, I notice that more and more women are using fake smiles to tease their beta-orbiters into currying favors. For the desperate simps, even the slightest female approval is the closest thing to a sex they'll ever experience, which is why they'll always be ready to jump any amount of hoops in order to earn it—and the women know this.

Stewart recalls to The Telegraph how her doctor repeatedly voiced concern over switching to a healthy diet full of turmeric spice to fight the cancer (one of many turmeric health benefits), telling her that it would do virtually nothing: "The doctors absolutely will not say that the diet is going to do anything to help the cancer in any way." Four years later, she is still cancer free with ...
