Milky way photography is something that has evaded me over the years due to the Canon struggling in low light conditions (to put it politely). With the purchase of the A7RII, it was now finally time that I could get out there and shoot in low light conditions without having an image of nasty noise!

Better Fruits: This technique is also used by some farmers to force the tree to bear better fruits - as no sugar goes down into the roots - the fruits are usually bigger and better if they come from a girdled tree. Of course these better fruits come with a price. Girdling is particularly a good way to end trees like Aspens because as we know from Pando, many other Aspens can sprout up from ...
