Jaws is a 1974 novel by American writer Peter Benchley. It tells the story of a great white shark that preys upon a small resort town and the voyage of three men trying to kill it. The novel grew out of Benchley's interest in shark attacks after he learned about the exploits of shark fisherman Frank Mundus in 1964. Doubleday commissioned him to write the novel in 1971, a period when Benchley ...

Our objective was to provide a review of factors influencing heat stress in lactating dairy cows and how it affects milk production. In warmer parts of the world, during summer months in the United States, and in other temperate regions, reduced milk production resulting from heat stress counteracts tremendous genetic progress achieved in increasing milk production.

For any music lover, GRAMMY Sunday is very much like the Super Bowl or World Series to a sports fanatic. The only difference being, while sports teams typically find out who will be the final competition within a week or two of the showdown, GRAMMY nominations arrive months prior to the big show. The ceremony is arguably a culmination of all of that energy and anticipation.
