The Exception Adriana Locke

The Exception, a Contemporary Romance by Adriana Locke that I could not put down Cane Alexander, a hot, successful, cocky alpha bad boy that is used to living by his own rules, until he meets Jada Stanley, a woman who turns his life upside down and makes him realize he is capable of love and how alone he has been for most of his life.

The Exception (The Exception, #1) by Adriana Locke

I discovered Adriana Locke's work earlier this year when I read Sacrifice and loved it, so I was curious to go back and read the work she published earlier. A group read got me going with The Exception and at first I stuck with the schedule, but it didn't take long for Cane and Jada to pull me in and I couldn't be satisfied with just a few ...

A marriage that had a lot of emotional & verbal abuse. She wants to leave the life of walking on egg shells behind, but is mourning the loss of what she thought was supposed to be her HEA. I liked how Adriana wrote her as someone who is trying to find her strength but also how she backslides some.

The Exception (The Exception Series Book 1) by Adriana Locke

A contemporary romance author running on coffee and sticky kisses from my rowdy four little boys. From Indiana, I'm a true Mid-Westerner. Life, for me, is about family, faith, and food. When I'm not running my kiddos around or having a lunch date of fajitas with my husband (and high school sweetheart), you can find me outside. I love a good sunny day almost as much as I love candy, random ...
