I know, right? An unusual combination, but a delicious one. I had never considered making a lemon cake with a chocolate buttercream until I started reading *The Particular Sadness of Lemon Cake* last week. The jury's still out on whether it's a great book or not (I'm only about a third of the way through it) but it did get me thinking about cake.

The world's longest work of fiction is a Super Smash Bros. fanfic titled "The Subspace Emissary's Worlds Conquest." Written by a Spanish-speaking college junior who wanted to improve his English, it has over 3.5 million words, which makes it twice the length of the world's longest novel, and 6+ times longer than War and Peace.
