Julie Halpern brings something new to the "YA cancer lit" subgenre with The F-It List... simply put, I love this book. Most YA cancer novels feature either a teen who has cancer or who has a parent with cancer, but this is the first time I've seen that the main character is the best friend of someone with cancer.

When I knew that this was a book based around a teen's bucket list but that they'd renamed it the "fuck it list," my first thought was that it was a list of people they wanted to sleep with. No, no, it's a regular bucket list, but many of the items are about sexual things - a pretty standard list of importance for a teen.
