### **The Wounded Storyteller Body Illness**

Since it was first published in 1995, The Wounded Storyteller has occupied a unique place in the body of work on illness. Both the collective portrait of a so-called "remission society" of those who suffer from some type of illness or disability and a cogent analysis of their stories within a larger framework of narrative theory, Arthur W. Frank's book has reached a large and diverse ...

The Wounded Storyteller: Body, Illness, and Ethics. In At the Will of the Body, Arthur Frank told the story of his own illnesses, heart attack and cancer. That book ended by describing the existence of a "remission society," whose members all live with some form of illness or disability. The Wounded Storyteller is their collective portrait.

### **The Wounded Storyteller: Body, Illness, and Ethics by ...**

The Wounded Storyteller: Body, Illness, and Ethics. Ill people are more than victims of disease or patients of medicine; they are wounded storytellers, Frank argues. People tell stories to make sense of their suffering; when they turn their diseases into stories, they find healing. Drawing on the work of authors such as Oliver Sacks,...

was not just the topic of her story; it was the condition of her telling that story. Her story was not just about illness. The story was told through a wounded body. The stories that ill people tell come out of their bodies. The body sets in motion the need for new stories when its disease disrupts the old stories.

That book is an example of "pathography," to use a term that Frank rejects in The Wounded Storyteller because it is not a term that an ill person would use to describe the experience (p.190, note 34; see also Anne Hunsaker Hawkins, Reconstructing Illness: Studies in Pathography).

### **The Wounded Storyteller - New York University**

"Arthur W. Frank's second edition of "The Wounded Storyteller" provides instructions for use of this now-classic text in the study of illness narratives. At the remove of twenty years, the author sees that he was trying for not only an analytic study of illness narratives but also 'self-healing . . . to assure myself I wasn't crazy.'

In *At the Will of the Body: Reflections on Illness*, Arthur Frank gave a moving account of his own troubles. Now, in *The Wounded Storyteller* he writes of the need (obligation, really) for sick persons to tell their stories in order to clarify their own illnesses. For Frank, the wounded healer and the wounded storyteller often turn out to be the same person; the tales of sickness give it meaning ...

Both the collective portrait of a so-called "remission society" of those who suffer from some type of illness or disability and a cogent analysis of their stories within a larger framework of narrative theory, Arthur W. Frank's book has reached a large and diverse readership including the ill, medical professionals, and scholars of literary ...

**The Wounded Storyteller: Body, Illness, and Ethics, Second ...**

Review. The stories in turn often reshape the experience of illness. *The Wounded Storyteller* is thus an indispensable guide to the oddly familiar but alien territory we inhabit when we enter what Susan Sontag called 'the kingdom of the ill.' Now, with an extended new preface and afterword, a classic-plus."
