The Time Machine Invisible Man

The Time Machine is a science fiction novella by H. G. Wells, published in 1895 and written as a frame narrative. The work is generally credited with the popularization of the concept of time travel by using a vehicle that allows an operator to travel purposely and selectively forwards or backwards in time. The term "time machine", coined by Wells, is now almost universally used to refer to ...

Basically, National Sword was China's ban on foreign recyclables. It banned four categories and 24 types on imports starting in 2018. And National Sword has steadily expanded, banning more recyclables since then, and it could potentially lead to the banning of all incoming recyclable materials by 2020, but that piece isn't entirely clear yet.

The Invisible said.... Agreed. Spent more than 45 minutes on the phone with Samsung today trying to get someone out here to do a warranty repair. So incredibly frustrating having to answer their STUPID questions just to get someone out here (they wouldn't send someone without first going through all their scripted dumb-ass-ery).
