The Color Of Water Questions

The Color of Water: A Black Man's Tribute to His White Mother, is the autobiography and memoir of James McBride first published in 1995; it is also a tribute to his mother, whom he calls Mommy, or Ma. The chapters alternate between James McBride's descriptions of his early life and first-person accounts of his mother Ruth's life, mostly taking place before her son was born.

The Color of Water - Wikipedia

A new line drawn will always be yellow. I can't get it to use the default "bylayer" color. I can manually change to bylayer in properties box, but I don't want to have to change each after it's drawn. How can I get line to draw layer color?
