The Chrysanthemum And Sword Patterns

The Chrysanthemum and the Sword: Patterns of Japanese Culture is a 1946 study of Japan by American anthropologist Ruth Benedict. It was written at the invitation of the U.S. Office of War Information, in order to understand and predict the behavior of the Japanese in World War II by reference to a series of contradictions in traditional culture. The book was influential in shaping American ...

Honne and tatemae are Japanese words that describe the contrast between a person's true feelings and desires (真音, hon'ne, "true sound") and the behavior and opinions one displays in public (建前, tatemae, "built in front", "façade"). The public use of this dyadic concept began in the post-war era.. Honne may be contrary to what is expected by society or what is required according to one ...
