The pun, also called paronomasia, is a form of word play that exploits multiple meanings of a term, or of similar-sounding words, for an intended humorous or rhetorical effect. These ambiguities can arise from the intentional use of homophonic, homographic, metonymic, or figurative language. A pun differs from a malapropism in that a malapropism is an incorrect variation on a correct expression ...

Film: Live and Let Die In this amazing scene, Bond is wrestling with bad guy Kananga in a shark-infested pool when he causes Kananga to imbibe an air capsule. Instead of just spitting it out (since it's clearly just in his mouth and not lodged down his esophagus) Kananga gets a panicked look on his face, inflates like a balloon, flies up to the ceiling and explodes.
