HISTORY OF ZINES - Underground Press: One could argue that in their loosest form zines exist since people began to write, copy and self-publish. Zines stand in this long tradition of self-publication. Historically, they could even be traced back to 1517 when Martin Luther published his "zine", the "Ninety-five Theses," a time when Johannes Gutenberg had just invented the printing press and self ...

Sexual harassment, domestic violence and date rape had not been named, although they certainly existed, when Damned Whores and God's Police was first published in 1975. That was before the Sex Discrimination Act of 1984 and before large numbers of women became visible in employment, in politics and elsewhere across society.
