Pirates and sailors are important in understanding how the Atlantic world looked and worked. Defying traditional alliances, attacking and capturing merchant vessels of all nations, pirates wreaked havoc on an emerging economic system, disrupted trade routes and created a crisis within an increasingly important system of trade centered on the Atlantic world.

Same, had a trial left over from the F1 race last weekend. It was complete garbage. Low bitrate 720p at best, absolutely shocking audio quality and they appear to use the 25fps PAL-region converted version so everyone sounds like they've taken a shot of helium before each scene and pretty much every device it supports judders like crazy because they output at 60hz not 50.
