Breedlove Guitars has always been known for their willingness to deviate from acoustic-design convention. Features like their pinless bridge and the JLD truss system (a dowel spanning the bridge and tail block that counteracts tension exerted on the top and increases sustain and resonance) helped distinguish Breedlove as a forward-thinking brand.

What with my most recent book -- The League of Regrettable Sidekicks-- having been nominated for an Eisner award in the category of Best Comics-Related Book (pardon me for going out of my way to mention it), I've been poring back over my notes for the book, and re-reading assorted entries here and there. This is the expected behavior, I'm just doing what any new nominee would do -- drink in my ...

Question: "Should a Christian play video games?" Answer: Completed nearly 2,000 years ago, God's Word does not explicitly teach whether or not a Christian should play video games. But the Bible's principles still apply today regarding the best use of our time. When God shows us that a specific activity is controlling our lives, we should break away from it for a time.
