I find this line of reasoning really curious. It's not a poisoned chalice at all if Labor are as competent as they present. On the contrary, coming into government when there's a crisis looming is a great advantage, because they can justify necessary reforms as part of needed efforts to make the economy more resilient.

On a recent visit to Philadelphia and New York City I remembered how intimidating it can be to visit a new city/country for the first time. When I was younger I would jump on a plane without giving it

much thought (I once decided to move to England on a Thursday and was there on the following Tuesday) but nowadays I have to know certain things about my destination before I commit to anything.

The Cosmic Avenger August 31, 2016 at 11:06 am. Maybe it's because of my personal experience with this issue, but since the OP is getting a lot of information second-hand through her supervisor and she has said that she doesn't trust him, I wonder if the supervisor is exaggerating at best, or making things up to play people against each other at worst.

The point about porn is a very good one and very underrated. There were quite a few times where after like 10 seconds of kissing when my dick is about to go into the vag, they start urging me to go all hardcore on them...and that actually killed off my boner a few times because I am the kind of dude that likes to start off slow with the pussy pounding , get some foreplay going, do a bit of ...
