Question: "Is there any power in positive thinking?" Answer: One definition for positive thinking is "the act of reviewing thought processes in order to identify areas that need improvement, and then using the appropriate tools to change those thoughts in a positive, goal-oriented way." Of course, thinking positively is not wrong. The problem associated with "positive thinking" is in ...

Positive mental attitude (PMA) is a concept first introduced in 1937 by Napoleon Hill in the book Think and Grow Rich. The book never actually uses the term, but discusses about the importance of positive thinking as a contributing factor of success. Napoleon, along with W. Clement Stone, founder of Combined Insurance, later wrote Success Through a Positive Mental Attitude, defines positive ...
