Out of the 140 million tax returns filed in the United States every year, about 1.4 million make an adjusted gross income of over \$400,000 a year. Now imagine if there were 1.4 million undead zombies roaming the country. They'd be everywhere! Most would agree that a top 1% income is rich wherever you live. However, some will say you're just middle class if you've got to pay for private school ...
