When you're a student or whatever, and you can't afford a car, or a plane fare, or even a train fare, all you can do is hope that someone will stop and pick you up. At the moment we can't afford to go to other planets. We don't have the ships to take us there. There may be other people out there (I ...

Science fiction that's just about people wandering around in space ships shooting each other with ray guns is very dull. I like it when it enables you to do fairly radical reinterpretations of human experience, just to show all the different interpretations that can be put on apparently fairly simple and commonplace events.

Mostly Harmless was, for many people, a disappointing end to a fantastic series. Adams admitted that he was having a "bad year" when he wrote this book, and it shows: the usual humor and manic pacing are largely gone, replaced by long tracts about actual theoretical science (as opposed to the lunatic-inspired science that created, say, the starship Bistromath), and the tone overall is far ...
