### **The Female Eunuch Germaine Greer**

The Female Eunuch is a 1970 book by Germaine Greer that became an international bestseller and an important text in the feminist movement. Greer's thesis is that the "traditional" suburban, consumerist, nuclear family represses women sexually, and that this devitalises them, rendering them eunuchs. The book was published in London in October 1970. It received a mixed reception, but by March ...

"In the struggle to remain a complete person and to love from her fullness instead of her inadequacy, a woman may appear hard. She may feel her early conditioning tugging her in the direction of surrender, but she ought to remember that she was originally loved for herself; she ought to hang on to herself and not find herself nagging, helpless, irritable, and trapped.

Margaret Fuller (1810 – 1850) An American women's rights advocate. Her book Women in the Nineteenth Century (1845) was influential in changing perceptions about men and women and was one of the most important early feminist works. She argued for equality and women being more self-dependent and less dependent on men. "Male and female represent the two sides of the great radical dualism.
