The Secret of Ka by Christopher Pike is a YA fantasy that has stirred up controversy in the book blogosphere. Most of that stems from the book being set in Istanbul and the apparent lack of fact checking in how the city and its residents are portrayed.

The Secret of Ka by Christopher Pike - Goodreads

review 2: As a longtime Christopher Pike fan I must say this is the only time I've been let down by his work. Although the author's weaving of the tale itself is captivating, the characters never become believable enough for me to be concerned with their plight.

The Secret Life of Plants (1973) is a book by Peter Tompkins and Christopher Bird. The book documents controversial experiments that claim to reveal unusual phenomena regarding plants such as plant sentience, discovered through experimentation. It goes on to discuss philosophies and progressive farming methods based on these findings.

The Secret Life of Plants - Wikipedia

"The Secret World is a magisterial book. It is designed for the lay reader as much as for the expert; the scale, breadth, and depth of the work confirm Christopher Andrew's position as the great Yoda of intelligence studies in the UK."—Michael S. Goodman, Literary Review
