The Future Of Management Gary

In The Future of Management, Gary Hamel argues that organizations need management innovation now more than ever. Why? The management paradigm of the last century—centered on control and efficiency—no longer suffices in a world where adaptability and creativity drive business success. To thrive in the future, companies must reinvent management.

The Future of Management: Gary Hamel: 9781422102503 ...

The Future of Management is richly illustrated with examples from Google, W.L. Gore, Whole Foods, IBM, Samsung, Best Buy and other blue-ribbon management innovators. And, like Hamel's previous path-breaking books, it overflows with penetrating insights and essential advice.

Gary Hamel The Future of Management

The author Gary Hamel mixes real-world examples of management innovation with a compelling vision and business case of why management discipline is overdue for a reinvention! My view of management innovation is on a current lack of "quality of social relationship metrics" on the balance sheet or income statement.

Gary Hamel on The Future Of Management - SlideShare

by Gary Hamel. The Future of Management argues that management innovation matters now because companies are too reliant on yesterday's ideals of control and haste. Instead, managers should focus on the broader objective of furthering human accomplishment. As author GaryHamel demonstrates with several case-study companies,...
