Throb Vi Keeland

Community Reviews. All in all, Throb was a great read for me and I highly recommend giving it a try. Vi Keeland's writing style is the perfect blend of serious sexiness laced with humor. Although part of a series involving different couples, this read is considered a standalone with no cliffhanger ending.

Loved Vi Keeland's writing style, loved the story line and Oh. My. God. Loved obsessively Flynn Beckham. So I decided to read/listen to the first book of the series and I'm so happy I did it. Vi Keeland has definitely a style, she writes plots very real, very down to earth, not at all Perfect man + Perfect woman = Perfect love story.
