The New Zealand Labour Party (Māori: Rōpū Reipa o Aotearoa), or simply Labour (Reipa), is a centre-left political party in New Zealand. The party's platform programme describes its founding principle as democratic socialism, while observers describe Labour as social-democratic and pragmatic in practice. It is a participant of the international Progressive Alliance.

"John Buchan's career as a writer, one of the best-selling of his day, would have been remarkable, even in someone who had done nothing else. He wrote more than a hundred books, including twenty-seven novels, six substantial biographies, a monumental twenty-four-volume contemporary account of the First World War, three works of political philosophy and a legal textbook.
