The Transgender Child A Handbook

Transgender youth are children and adolescents who are transgender and/or transsexual. Because transgender youth are usually dependent on their parents for care, shelter, financial support, and other needs, and because most doctors are reluctant to provide medical treatments to them, transgender youth face different challenges compared to adults.

Transgender youth - Wikipedia

Transgender people have a gender identity or gender expression that differs from their assigned sex. Some transgender people identify as transsexual if they desire medical assistance to transition from one sex to another. Transgender – often shortened as trans – is also an umbrella term: in addition to including people whose gender identity is the opposite of their assigned sex (trans men ...
