"A dwarf with no name is a dwarf most shamed." As the lands above the ravine city of Arx Gravis face their gravest peril, the last desperate hope of Creation lies in a dwarf with a grisly past: The Nameless Dwarf—a pariah, untouchable, the most cursed of dwarven kind.

Nameless Dwarf - D.P. Prior

The Nameless Dwarf complete chronicles is five short books in one adding up to 504 pages. At first I thought with the more=better and that the book was going to be too short but after reading it I was completely wrong. It's well paced and not too short. I love the SHOGGING language, I think it's funny and adds color to how they talk.
