Gothic is a single-player action role-playing video game for Microsoft Windows developed by the German company Piranha Bytes.. Gothic was well received by critics. Reviewers credited the game for its story, complex interaction with other in-game characters, and graphics, but criticized it for the difficult control scheme and high system requirements.

English Gothic Illuminations. In our article on Romanesque book painting, we noted the signs of a change evidenced by the Winchester Bible (c.1170), but there is no particular work produced in the next fifty years which can be called a truly Gothic manuscript. The period of transition is a protracted process of experiment and change.

Western architecture - Gothic Revival, c. 1730-c. 1930: The architectural movement most commonly associated with Romanticism is the Gothic Revival, a term first used in England in the mid-19th century to describe buildings being erected in the style of the Middle Ages and later expanded to embrace the entire Neo-Gothic movement. The date of its beginning is not easy to pinpoint, for, even ...

The term 'Oxford Movement' is often used to describe the whole of what might be called the Catholic revival in the Church of England. More properly it refers to the activities and ideas of an initially small group of people in the University of Oxford who argued against the increasing secularisation of the Church of England, and sought to recall it to its heritage of apostolic order, and ...

Romanesque Style. The term Romanesque architecture is sometimes used to cover all immediate derivations of Roman architecture in the West, following the collapse of Rome until the flowering of the Gothic style in about 1200. More usually however, it denotes a distinctive style that emerged almost simultaneously in France, Germany, Italy and Spain (the latter also influenced by Moorish designs ...
