The what-if scenario Astrid tells in Darkest Night is so revealing about Astrid's character. She really has so much faith in Hiccup and Toothless, and in the decisions that Hiccup made—and the decisions that she made, because let's be real, Astrid was instrumental in ending the war with the dragons. She's the one that stopped Hiccup from just running away.

Twin films are films with the same, or very similar, plot produced or released at the same time by two different film studios. The phenomenon can result from two or more production companies investing in similar scripts around the same time, resulting in a race to distribute the films to audiences. Some attribute twin films to industrial espionage, the movement of staff between studios, or ...
