The Mountains Of My Life

And the Mountains Echoed is the third novel by Afghan-American author Khaled Hosseini. Published in 2013 by Riverhead Books, it deviates from Hosseini's style in his first two works through his choice to avoid focusing on any one character. Rather, the book is written similarly to a collection of short stories, with each of the nine chapters being told from the perspective of a different character.

There have been many versions of this poem. The one I grew up reading was attributed to Nadine Stair. It appears first. What follows is, according to Benjamin Rossen, a copy of the earliest verifiable publication of this material. It can be found in the Reader's Digest, October 1953 issue, where it was attributed to Don Herold (1889-1966), author and humorist.
