Awhile back I described ten common characteristics of debt-free people.. In that article, I specifically asked my readers to consider this question: "Why is it that there are families out there with household incomes under \$40,000 comfortably making ends meet and saving for retirement with no debt on the books — or at worst, a single mortgage payment — while others who make millions per ...

Goat Dream Symbol - Dreaming about a goat could mean several things, but the most common meaning is that of abundance and mirth. Goats are commonly associated with feasts and spectacular parties. This may come from the faun of Greek mythology, but it is more likely that this comes from the ancient uses of goats and what they actually meant to their herders and owners.
