Concept and creation. According to Dave Cockrum, the Brood were originally conceived to serve as generic subordinates for the main villain of Uncanny X-Men #155: "We had Deathbird in this particular story and Chris [Claremont] had written into the plot 'miscellaneous alien henchmen.' So I had drawn Deathbird standing in this building under construction and I just drew the most horrible looking ...

6.12.2008: (Note: I have not played this game since it is rated "M" and isn't allowed on the Fellowship U campus, so I am basing this mini-review on Secular media reports.) In Metal Gear Solid 4, you play the role of Snake, a soldier who uses stealth to sneak around a battlefield on a mission to steal guns from the Patriots (and to choke people from behind).

The second problem is that not all the energy from the blast is dangerous. Some of it is in the form of neutrinos, which are utterly harmless (you know, those slippery little customers who can fly through one light year of solid lead like nothing is there).. First off, a particle will only annihilate with the corresponding anti-particle. This means if an electron hits an anti-proton, they will ...

The only real reason to have the Predator meet the Alien species is to compare vaginas. The Predator is the ultimate misogynist vagina dentata monster, an advanced alien hunter with unstoppable technology, a pathological need to kill, and, hidden beneath its armor, a screaming, fang-filled vagina mouth that mocks you with the sound of your own laughter and curse words.
