## **The Present Secret To Enjoying**

What does it mean to live fully in the present moment? It means that your awareness is completely centered on the here and now. You are not worrying about the future or thinking about the past. When you live in the present, you are living where life is happening. The past and future are illusions, they don't exist. As the saying goes "tomorrow never comes".

Do you get confused using English tenses? In today's lesson, I teach you how and when to use the Present Perfect and Past Simple tenses. It's easy to confuse the two, and many English students make mistakes with these tenses. In this grammar lesson, you will learn how each one is used, how they are different from one another, and how to know which tense is correct for your sentence.
