### **The Hidden Europe What Eastern**

Eastern Europe is the eastern part of the European continent. There is no consensus on the precise area it covers, partly because the term has a wide range of geopolitical, geographical, cultural, and socioeconomic connotations. There are "almost as many definitions of Eastern Europe as there are scholars of the region". A related United Nations paper adds that "every assessment of spatial ...

Eastern Europe is a region that encompasses many different cultures, ethnicities, languages, and histories. Grouping all of these countries under a single designation can sometimes be problematic; experts, scholars, and those living there label parts of the region according to varying sets of criteria, and heated debates have been known to erupt when one party has felt that a certain country ...
