Microsoft Corp. is an American technology company headquartered in Redmond, Washington, that supports the invention, manufacturing, and licensing of goods and services related to computing. It was registered in New Mexico in 1976 after being formed the year before by two childhood friends.

A Short History of Microsoft - ThoughtCo

Life and career. Micklethwait was born in 1962, in London, and was educated at Ampleforth College (an independent school) and Magdalen College, Oxford, where he studied history. He worked for Chase Manhattan Bank for two years and joined The Economist in 1987. Prior to becoming editor-in-chief, he was United States editor of the publication and ran the New York Bureau for two years.

John Micklethwait - Wikipedia

Discover our tradition and history. BMW's hundred-year history occupies a central position at the BMW Group. It is always important for a global company to remember its history. Or in the words of British statesman Winston Churchill: "The farther back you can look, the farther forward you are likely to see."

History - BMW Group

A crucial part of any business plan is spelling out your company history, business background and telling your origin story. The main objective in sharing your history and the story of how you got started is to show potential teammates and investors how you landed on this business idea, and explain why you're uniquely qualified to pursue it.

The Company Background Portion of a Business Plan

A Short History of the World H.G. Wells Wells's two-volume Outline of History, published in 1920, was the first general history constructed on an evolutionary, sociological and anthropological basis. It was immensely popular and set the basis for this Short History, which Wells created "to meet the needs of the busy general reader, too driven to study the maps and time charts of that ...
