The Unwritten Rules Of Phd

A Doctor of Philosophy (PhD, Ph.D., or DPhil; Latin philosophiae doctor or doctor philosophiae) is the highest university degree that is conferred after a course of study by universities in most English-speaking countries. PhDs are awarded for programs across the whole breadth of academic fields. As an earned research degree, those studying for a PhD are usually required to produce original ...

Doctor of Philosophy - Wikipedia

1. Introduction There are several debates in the knowledge management community about tacit knowledge, but authors of papers often fail to make clear their position on these various debates; instead, they simply state the consequences of their beliefs. These statements are then quoted as facts by other authors, until a position is reached where a respected knowledge management and social media ...
