Chinese privilege can be difficult for most in Singapore to comprehend, but it does exist. This website documents minority experiences relating to Chinese privilege and racism in Singapore. It is...

### **This is Singaporean Chinese Privilege**

The term exorbitant privilege refers to the benefit the United States has due to its own currency (i.e., the US dollar) being the international reserve currency. Accordingly, the US would not face a balance of payments crisis, because it purchased imports in its own currency. Exorbitant privilege as a concept cannot refer to currencies that have a regional reserve currency role, only global ...
