The Weight of Blood Book One When half-bloods Harruq and Qurrah Tun pledged their lives to the death prophet Velixar, they sought only escape from their squalid beginnings.

### **The Weight of Blood**

"The Weight of Blood" is a dark story, one of death and destruction. The Half-Orc brothers Harruq and Qurrah Tun are responsible for quite a bit of that destruction. These two brothers seem very different yet Harruq would do just about anything for Qurrah, even if it means killing children or friends.

Not everybody will have the same amount of blood in their body as there are many factors which determine how much blood your body contains, such as body size and weight. If you wish to donate blood the normal amount taken will be around a pint and you would typically lose around 600 calories in the process.

The Weight of Blood This is the first book David Dalglish ever published; it also the first novel in his popular Half-Orcs series. Within its confines, we are introduced to Harruq and Qurrah Tun.

### **Half-Orcs - Book Series In Order**

Harruq and Qurrah Tun, half-blood exiles of elves and orcs, have sworn their lives to the prophet of a death god, gaining power in return for igniting war between the race of elves and man. Harruq's love of an elf may save him from his dark path, but to protect her means he must turn against his brother and fight the killing nature with which he was born.
