Art and Money: How to Thrive as an Artist without Selling Out

Money is a touchy subject. That's because most of us, to a certain degree, associate a lot of our self-worth and identity to our job and how much money we make. It is, quite literally, a market valuation of our skills and competence as a person, and therefore we all get a little bit testy and scooch around uncomfortably in our chairs whenever money is brought up.

A store of value is the function of an asset that can be saved, retrieved and exchanged at a later time, and be predictably useful when retrieved. [citation needed] More generally, a store of value is anything that retains purchasing power into the future. The most common store of value in modern times has been money, currency, or a commodity like a precious metal or financial capital.

Store of value - Wikipedia

Dear Real Estate Investor, I want to share a little-known method for getting 100% financing for any real estate deal you want. This method, if applied, will allow you to flip an unlimited number of properties and/or get rental deals without going to banks or hard money lenders, or ever using your cash or credit.

Art Of Private Money

Stephen Pulvirent, who writes about watches for Bloomberg, agrees: "If you're looking for an easy, safe, blue-chip investment, put your money into a mutual fund." Part of this is because the ultra-high-rolling watch world may also be in the midst of a bit of a bubble, according to Adams, who points to the huge watch auctions that are reminiscent of the art world.
