Anne's diary was written during the years 1942-1944. These years were the toughest times of World War II in Europe. To make sense of World War II, one must begin with the aftermath of World War I and the Versailles Treaty of 1919. At the beginning of the twentieth century, the German empire was one ...

It was and it wasn't. The right people weren't listened to, effectively. The Euro and the Common Market are good ideas, in the grand scheme of things, but what was overlooked (or willfully ignored, because handling it outside of a crisis would have been politically unpleasant) was how to handle the inevitable problems with uneven growth. Just having the same currency and a common market doesn't ...
