The Color of War: How One Battle Broke Japan and Another Changed America. On the night of July 17, 1944, as Admirals Ernest King and Chester Nimitz were celebrating the battle's end, the Port Chicago Naval Ammunition Depot, just thirty-five miles northeast of San Francisco, exploded with a force nearly that of an atomic bomb.

The Color of Water tells the remarkable story of Ruth McBride Jordan, the two good men she married, and the 12 good children she raised. Jordan, born Rachel Shilsky, a Polish Jew, immigrated to America soon after birth; as an adult she moved to New York City, leaving her family and faith behind in Virginia.

The Color War. The Color War is a moving short story about the summer that changed a boy's life forever. This coming of age story reveals an America where the lines between black and white, rich and poor, and insider and outsider too often divide minds and hearts and separate a child from his own sense of promise.

Format: Kindle Edition Verified Purchase This is good if you want a nostalgic read about the Second World War from an English perspective. I enjoyed the novel, and the characters portrayed within, but overall it's fairly lengthy and comes across as a bit "preachy" at times which makes it a bit of a slog.

War Flower is as much an ode to the 60's as it is an overwhelming account of how the Vietnam War had a far reaching impact on everyone's life. O'Connor holds no bars as she vividly describes life in the 60's. Music, drugs and politics are a major part of the book as the story slowly brings the reader into the true feel of the sixties.

The Second World War began in August 1939 on the edge of Manchuria and ended there exactly six years later with the Soviet invasion of northern China. The war in Europe appeared completely divorced from the war in the Pacific and China, and yet events on opposite sides of the world had profound effects.
