Define 'sound'. When the tree hits the ground, its kinetic energy will be partly transferred into vibrations in the air called 'sound waves'. If these come into contact with a sensitive membrane ...

If a tree falls in the forest and no one is there, does it ...

Falling Up was an American Christian rock band from Albany, Oregon. Falling Up formed in October 2001, and released their debut album Crashings in 2004. They were signed to BEC Recordings in 2003 after a recommendation from friends in the band Kutless. The band's name came from the first song they wrote, which talked about their belief in both human imperfection and in the grace of God which ...
