Community Reviews. The Forgotten Ones is book one in the Danaan Trilogy by Laura Howard. I found this book a great start into the world of Irish Fairy tales, the story of a 21 year old girl struggling with the responsibility of having a schizophrenic Mother and never knowing her Dad. And of finding out about a world she never dreamed existed.

He reveals legends of a race of people long forgotten, the Tuatha de Danaan, along with the truth about why he abandoned her mother. Buy the book. My thoughts. When I picked up The Forgotten Ones, I was nervous because I saw that it was part of a trilogy that has yet to be released. I know that sounds petty but I hate getting wrapped up in books only to have to wait.

The Forgotten Ones is a well written story that grabs your attention starting with the beautiful cover and doesn't let you go until you read the very last page. This is the first time I have read a book about the Fae and it was a refreshing change of pace that I thoroughly enjoyed.
