John Donne's standing as a great English poet, and one of the greatest writers of English prose, is now assured. However, it has been confirmed only in the early 20th century. The history of Donne's reputation is the most remarkable of any major writer in English; no other body of great poetry has fallen so far from favor for so long and been generally condemned as inept and crude.

In his *Life of William Blake* (1863) Alexander Gilchrist warned his readers that Blake "neither wrote nor drew for the many, hardly for work'y-day men at all, rather for children and angels; himself 'a divine child,' whose playthings were sun, moon, and stars, the heavens and the earth." Yet Blake himself believed that his writings were of national importance and that they could be understood ...
