The Barrow Hematite Steel Company Limited was a major iron and steel producer based in Barrow-in-Furness, Lancashire (now Cumbria), England, between 1859 and 1963. At the turn of the 20th-century and the Technological Revolution it operated the largest steel mill in the world.

Barrow Hematite Steel Company - Wikipedia

"Fascinating.... Lays a foundation for understanding human history."—Bill Gates. In this "artful, informative, and delightful" (William H. McNeill, New York Review of Books) book, Jared Diamond convincingly argues that geographical and environmental factors shaped the modern world. Societies that had had a head start in food production advanced beyond the hunter-gatherer stage, and then ...
