Touchy Subjects: Stories (2006) About book: I hadn't read any Donoghue, so thought a collection of short stories would be a good introduction and safer than investing in a novel (burned by Sarah Waters, I won't assume a mainstream writer will necessarily be good). These are terrific. If there had been more lesbian stories, it would have gotten the full five stars.

Many of these stories involve animals and what they mean to us, or babies and whether to have them; some replay biblical plots in modern contexts. With characters old, young, straight, gay, and simply confused, Donoghue dazzles with her range and her ability to touch lightly but delve deeply into the human condition.
