The Manifesto On How To

We are uncovering better ways of developing software by doing it and helping others do it. Through this work we have come to value: Individuals and interactions over processes and tools Working software over comprehensive documentation Customer collaboration over contract negotiation Responding to change over following a plan. That is, while there is value in the items on

Manifesto for Agile Software Development

Forward Together: The Conservative Manifesto. The next five years are the most challenging that Britain has faced in my lifetime. Brexit will define us: our place in the world, our economic security and our future prosperity.

The Conservative Party Manifesto 2017

SOA Manifesto. Service orientation is a paradigm that frames what you do. Service-oriented architecture (SOA) is a type of architecture that results from applying service orientation.. We have been applying service orientation to help organizations consistently deliver sustainable business value, with increased agility and cost effectiveness, in line with changing business needs.

SOA Manifesto

Programming, Motherfucker Do you speak it? We are a community of motherfucking programmers who have been humiliated by software development methodologies for years.. We are tired of XP, Scrum, Kanban, Waterfall, Software Craftsmanship (aka XP-Lite) and anything else getting in the way of...Programming, Motherfucker.

Programming, Motherfucker - Do you speak it?
