The more literal one is that the worst tragedies always come to us because of things we can't control. A lot of pretty shit things, like imprisonment or a tough break up, happen to us because of our wrong doing (like committing crimes or cheating on our SO). But those are things a person can get over.

The worst thing you can do is try to manipulate or control perceptions. It's impossible, and when you are found out the result is disastrous. Better to be transparent and play well with others so that when bad things happen you have a reservoir of good will to bank on.

Worst Thing Quotes - BrainyQuote

We consider it one of the worst things that can happen to someone. This would be easy to understand if death were followed by a nasty time in the hereafter. It could be that death is not the end of us, but merely a transition from one sort of existence to another.
