The Downing Street mortar attack was carried out by the Provisional Irish Republican Army (IRA) on 7 February 1991. The IRA launched homemade mortar shells at 10 Downing Street, London, the official residence of the Prime Minister of the United Kingdom. It was an attempt to assassinate Prime Minister John Major and his War Cabinet, who were meeting to discuss the Gulf War.

It was Humphrey who really brought the position of resident mouser at Downing Street to the public's attention. He was a stray, long-haired, black-and-white cat who became one of the most popular and admired cats in Great Britain. He was found by a member of the Cabinet Office staff (70 Whitehall, next to the prime minister's London residence of No. 10 Downing Street) in October 1989, late in ...

A VERY, VERY SHORT HISTORY. To understand fully any country's political system, one needs to understand something of its history. This is especially true of the United Kingdom because its history has been very different from most other nations and, as a result, its political system is very different from most other nations too.

### **BRITISH POLITICAL SYSTEM - Roger Darlington**

In 2013 the government began its move towards releasing records when they are 20 years old, instead of 30. During 2013 The National Archives received records from 1983 and 1984, and in 2014 records from 1985 and 1986. Two further years' worth of government records are being transferred to us each ...
